Dr Barun Mahat
Dr Narayan Mahotra
Dr Lava Shrestha
Dr Smriti Singh
Dr Seerina Adhikari
Dr Ramesh Dhakal

Administrative support

Mr Dhimaan Niroula
Mr Balaram Dhungana

Dear physiologists/colleagues,

Once again, we are going to meet in a PSN conference. In continuity with the previous two conferences, the Third PSN Conference aims to stabilize the trend of quality scientific conferences in Nepal.

The theme for the Third PSN Conference is 'Exploring research fields in Nepal'. It is a call for physiologists in Nepal to step up from their traditional role of 'physiology teacher' to 'research scientists'.

We believe this conference will prove to be the platform for showcasing results of your works, sharing ideas of future plans, and building relations for collaborations.

Registration scheme

Nepalese students: NRs. 2000.00
Nepalese others: NRs. 3000.00

Welcome Dinner (optional for Nepalese only): NRs. 1000.00
Outside Nepal: USD 120.00 (includes welcome dinner)

Note: NRs. 500.00 waived for PSN members
(Registered participants get registration kit, certificate, and lunch on conference days)
